

# You're connected to the soil. Are you protecting what you love?

Finding life insurance that aligns with your values is no easy chore. Bluestone Life is different. Our mission is to protect families, communities and the planet. Protect what you love with Bluestone Life and benefit organic farming organizations that are part of the 1% for the Planet network.

When you purchase life insurance from Bluestone, you support organic farming. A percent of your premium and a complimentary death benefit is payable to NOFA-VT, NOFA-MA, NOFA-NY or any nonprofits in the 1% for the Planet network.

## Your insurance can benefit: NOFA-VT, NOFA-MA, NOFA-NY

You can choose organic farming organizations that are part of the 1% for the Planet network.
